**WESTERN HISTORY. COWBOY HERITAGE. CRAFT CULTURE. THE GREAT OUTDOORS.  
YOUR GOLDEN TICKET TO THE WILD WEST.**

The world comes out west expecting to see cowboys driving horses through the streets of downtown; pronghorn butting heads on windswept bluffs; clouds encircling the towering pinnacles of the Cloud Peak Wilderness; and endless expanses of wild, open country. These are some of the fibers that have been stitched together over time to create the patchwork quilt of Sheridan County's identity, each part and parcel to the Wyoming experience. Toss in a historic downtown district, with western allure, hospitality and good graces to spare; a vibrant public art scene; bombastic craft culture; a robust festival and events calendar; small town charm from one historic outpost to the next; living history on every corner; and the greatest rodeo week experience in the American West, and you have a golden ticket to the adventure of a lifetime.
